EMPLOYMENT HISTORY

Summary 1995-2019

As an Archaeological Consultant I have completed over 300 compliance archaeological assessments in eastern and central Ontario and recorded, sampled, conserved or salvaged numerous archaeological sites.

Other projects include:

- field courses and assessments in Nunavut for the Inuit Heritage Trust;
- preparation of an archaeological protocol for the Algonquins of Pikwàkanagàn
- an archaeological master plan for the Nipissing First Nation;
- directing Public Archaeology excavations at Bonnechere Provincial Park and Algonquin Provincial Park;
- directing field schools on Nipissing Nation Lands for Ojibway students;
- an archaeological inventory of various Territorial Parks for Nunavut Parks and Special Places, in Arviat, Sanikiluaq, Cambridge Bay, Cape Dorset, and Pangnirtung.
- Prepared a relict shoreline model for the Algonquins of Ontario

In addition to archaeological fieldwork, I teach Anthropology courses at Nipissing University in North Bay: an introduction to the archaeology of Lake Nipissing and the Ottawa Valley, and a field course in archaeological excavation.

I am an archaeological consultant for the Algonquins of Ontario Consultation Office, Pembroke, Ontario. Recent projects for the AOO include contributions to the Aboriginal Background Information Reports (ABIR) for three Forest Management Units: Algonquin; Bancroft-Minden, and Frontenac-Renfrew. I also contributed and extensive archaeological review for the Algonquin Knowledge and Land Use (AKLUS) study of the Chalk River Laboratories property, near Deep River, Ontario.
